John Hadcock (45) leads Kyle Wilkinson (52) and Jason Wilkinson (5) in their heat race. Kyle Wilkinson won the race as Hadcock came back to take his first career feature win at the track.

Hadcock takes career victory number one

Maintain the low line and running quick laps were the key for John Hadcock to pick up his first career feature win at the track.

The Wayne driver ran consistent laps as Chad Bruns of Wakefield was all over his back bumper.

Hadcock ignored Bruns chrome horn and led all the laps to take the victory. It was

his first top 5 of the season.

Bruns finished second for his seven top 5. James Kleinheksel of Columbus took third on his second visit to the track this season.

Fourth went to Shawn Primrose of Norfolk and points leader Austin Brauner of Platte Center took home fifth place for his ninth top 5.

Chad Bruns (11) grabbed his seventh top 5 finishing second in the feature.

James Kleinheksel (7w) took third in the feature.

Mark Benedict of Norfolk

led the first two laps before Parker Vollbrecht of Stanton led the next four.

Meyer took the win, Vollbrecht was second and Benedict was third. Dylan Kesting of Hoskins finished fourth and Jeremy Shell of Columbus rounded out the top 5.

Austin Brauner (10A) finished fifth in the feature. His ninth top 5 of the season.

Brian Osantowski (999) took his second feature win of the season.

Osantowski wins second feature

Columbus' Brian Osantowski bagged another victory last weekend when his patience paid off.

For the SportMod feature, the inside line was the quicker way around the track, but for Osantowski, he was stuck on the outside.

Jeremy Gnat led the first 15 laps of the 20-lap feature, but a slight bobble in turn one allowed Osantowski to jump out front.

Once out front Osantowski

dropped to the inside line and held off Kyle Prauner of Norfolk to the checkered flag.

It was Osantowski's second win of the season at the track and it was Prauner's fifth runner-up finish.

Third went to Gnat, who beat out Colby Langenberg of Norfolk. It was Langenberg's return to racing after a back injury sidelined him after the opening night.

Tyler Afrank of Norfolk rounded out the top 5.

Top 3 in the Sportmods were Brian Osantowski, Kyle Prauner and Jeremy Gnat.

Jeremy Gnat (38) competes with Kyle Prauner (5K) in their heat race. Prauner later finished second in the feature as Gnat led 15 laps before placing third.

Cameron Wilkinson (52) runs on the outside of Shannon Pospisil (00) during their heat race. Wilkinson made a last-lap pass to win his seventh feature of the season.

Wilkinson continues winning feature races

One too many cautions in the Hobby Stock division cost Nate Buck his first feature victory as fellow Nelighan, Cameron Wilkinson, picked up his seventh feature win of the season.

Buck took off from the drop of the green flag led 12 laps of the shortened feature race. The only lap he did not lead was the final one.

Wilkinson slowly picked his way through the field with the help of seven caution periods.

On the final caution, the race was shortened a couple laps to a green-white-checkered finish.

On the restart, Buck went back to work on the bottom

side, as Wilkinson drove hard into the final two corners and the car responded.

Wilkinson outraced Buck out of turn four to win by less than a car length.

Buck took the checkered flag backwards as he spun out in an attempt (hope) to find more grip.

It was Wilkinson's seventh victory and eighth top 5. It was Bucks' second runner-up finish.

Gage Koch of Norfolk placed third and Tanner Uehling of Norfolk finished fourth.

Rounding out the top 5 Travis Coover of Neligh.

Nate Buck led all but one lap in the feature last week. He finished backwards, however, still managed a second place finish.

Chase Osborne (14) led all 25 laps to win his first feature of the season last week.

Osborne captures first victory of season

Chase Osborne looked to have feature win in the bag, however, late cautions erased his healthy lead.

The Norfolk driver opened more than a straightaway lead on the field but was being hunted by Ben Sukup of Norfolk.

Sukup was closing the gap on each lap until a caution with six laps remaining, bunched the field.

Two quick restarts later, Sukup was challenging Osborne for the lead, but a final caution came out just as Sukup pulled alongside Osborne.

On the final restart, Osborne had the preferred line, as Sukup was trying to get the top line

to work.

Osborne managed to pull away, as Sukup struggled to find the grip on the high side.

It was Osborne's first win of the season at the track. Sukup finished second for his fifth top 5.

Third went to Robert Osborne of Norfolk, who jumps into a tie for the points battle with Sukup. Osborne gained three points, as the Late Model drivers receive points for the top three positions in each heat race.

Fourth went to Travis Birkley of Wakefield and Chris Johnson of Bloomfield rounded out the top 5.

Robert Osborne (35) finished third in the feature.

Right, Kaleb Jasperson races with Junior Coover in their heat race.

Ben Sukup (07) and Travis Birkley (78) compete in their heat race.

ce. Sukup took runner up in the feature as Birkley was fourth.
