Austin Brauner (10A) fights off Kyle Wilkinson (52) in the feature. Brauner finished second four times this season until he won last week.

Brauner takes checkered first

Six times Austin Brauner has had his picture taken on the frontstretch, not for winning the feature but for finishing in the top 3.

Last week, the Platte Center driver had his picture taken for winning his first career feature in the Stock Car division at the track.

In 2017, Brauner had two wins and was track champion in the Hobby Stock division.

But it was no walk in the park for Brauner last week as Kyle Wilkinson of Neligh was all over Brauner's bumper.

Neil Bruns of Norfolk led the first seven laps before Wilkinson jumped out front and lead two laps.

Brauner managed to get to the inside Wilkinson and made the pass to lead the final nine laps.

It was Brauner's 10th top 5 of the season as he leads the standings by 17 points with two nights remaining.

Wilkinson finished second. Chad Bruns of Wakefield placed third. Neil Bruns was scored fourth and Ron Pettitt of Norfolk rounded out the top 5.

Tanner Pettitt (12T) won the second of three heat races. He later finished seventh in the feature.

Steven Sanderford has a transmission exploded on the frontstretch causing a huge fire ball. The race was red flagged as debris was spread all over the track.

Schmer dominates feature for victory

After taking the lead on lap three, Dylan Schmer raced away from the field to win his first career feature at the track.

The Aurora driver started on the outside of the second row and followed Kaleb Jaspersen the first two laps before using the high side to grab the lead.

The only caution of the race came out on lap 14, erasing a large lead. However, Schmer slowly pulled away again for the win.

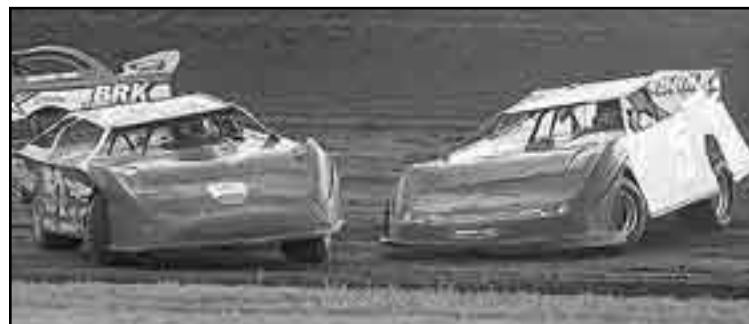

Eric Vanosdall of Hoskins finished second with Chase Osborne of Norfolk taking third.

The battle for fourth was also a battle for the division points lead. Robert Osborne and Ben Sukup, both of Norfolk, were tied going into the race for the championship title.

Robert Osborne had the advantage over Sukup for most of the final 15 laps, with Travis Birkley mixing his nose in the battle.

Robert Osborne and Sukup did clear Birkley, and Robert Osborne crossed the finish line fourth and Sukup fifth.

Robert Osborne holds a two-point lead in the season standings.
