Jackson captures victory first win

Two yellows and a red flag came out in the Sport Compact division, but when the checkered flag came out, Dustin Jackson was there to take it first.

The O'Neill driver led all 12 laps but had Lance Mielke on his heels for most of the final laps.

Just before the red flag was thrown for Tanner Uehling flipping his car, Mielke was working the inside of Jackson.

On the final restart, Jackson had a couple of laps to get into a groove before Mielke came knocking at his door again.

Mielke could get alongside, but Jackson had the momentum off the corners to stay out front.

It was Jackson's first feature win at the track and his first top 5 of the season.

Mielke was second for his fourth top 5 and Shannon Pospisil of Norfolk placed third for his third top 5.

Brooke Fluckiger of Columbus grabbed her third top 5 at the fourth position. Rounding out the top 5 was Colby Kaspar of Norfolk.

Colby Kaspar (39) took his third top 5 last week when he finished fifth.

Safety crew checks on the condition of Tanner Uehling (58T) after he flipped in the feature last week.

Colby Langenberg (1J) takes the checkered flag first just before Nelson Vollbrecht (11x) in their heat race.

Stephen Ives (6i) leads the field to the green flag in heat two.

Ron Pettitt (12) dives to the inside of his nephew Shawn Primrose (1) to make the pass in the feature last week. Pettitt won his second straight feature and Primrose was second.

Pettitt doubles victory count

Ron Pettitt has won plenty in his career and shows no signs of stopping.

The Pierce driver worked his way through the field to win his second straight feature of the season.

Pettitt's first task was to get by his nephew, who was unable to pass Jeremy Gibbs of Sioux City. Norfolk's Shawn Primrose tried high and low to get by Gibbs, but Gibbs had the drive off the corners.

Pettitt caught the duo and dove to the inside and passed Primrose and then two laps later got by Gibbs.

It took Pettitt six laps to catch and pass leader Kyle Becker of Columbus, who led the first 10 laps.

But the show was not over, as Pettitt made his way to the front, Primrose never left his bumper and on the final lap tried to get inside of Pettitt, but Pettitt had the line to win his third career feature at the track.

Primrose rolled through second and third went to Becker. Chad Bruns of Wayne crossed the line fourth. John Hadcock of Wayne rounded out the top 5.

Derek Husted (01) leads TeJay Mielke (77) in their heat race. Mielke won the heat race, however, Husted won the feature later that night.

Husted edges Mielke at the checkered flag

It was on the final restart that Sioux City's Derek Husted had someone banging on his bumper, and when the checkered flag flew - his bumper was just far enough ahead to win his first feature win at the track.

Defending track champion TeJay Mielke of Norfolk gave Husted a nudge going into the turn one on the final lap to get Husted to push in the turn.

Mielke drove to the inside, but Husted did what he had to do and kept Mielke tight to the inside of three and four. As the two drove off turn four it was a drag race to the end.

After a little discussion by officials, Husted was declared the winner. Mielke took home second for his fourth top 5 of the season.

Third went to Mark Arduser of Battle Creek for his first top 5 of the season. Jared Relitz of Emerson crossed the line fourth for his second top 5 this season.

Rounding out the top 5 was Jeremy Hoskinson of Norfolk.

Pospisil returi

It took a second try to get back into victory lane this season, as Tad Pospisil took Ross Afrank's Late Model to his first feature win of the season.

However, it was not easy.

The A feature went uninterrupted and it took Pospisil 18 laps before he ran down the leader.

Ben Sukup of Norfolk started on the outside pole and went straight to the front to lead 18 laps.

Pospisil moved into second three laps into the 25-lap feature and was nearly a straight-away back from Sukup.

The gap between the two narrowed to half-a-straightaway in two laps, but stayed at that margin until lap 11.
