## Birkley survives green-white-checked finish

It came down to a sprint to the finish in the Late Model feature two weeks ago, but it did not matter for Travis Birkley, who picked up his first win of the season.

The Wakefield driver started on the outside of the third row and made the pass for the lead five laps into the 25-lap feature.

Chris Johnson of Bloomfield put pressure on Birkley first but could not get the high side working. The two drivers separated from the field until a caution bunched the cars after 14 laps.

Birkley got a good restart as Johnson was left to contend with Zach Zentner of Cedar Rapids.

Zentner made the pass on Johnson two laps later and set out to run down Birkley. On the first white flag, Birkley lead by four-car lengths, however when Birkley was expecting the checkered flag, the yellow was flying instead.

Tightening his belts back up, Birkley went back to work and held off Zentner for the final two circuits. It was Birkley's fourth career feature win at the track.

Chase Osborne (14) won his heat race and later took his third top 5, placing fifth.

**Chris Johnson (7J) took his best finish of the season at third place. He also won his third heat race.**

Kandie Smidt (K2) and Tanner Uehling (58t) tangle in their heat race.

Lance Mielke (7m) won his first feature of the season and his fifth career at the track.

## Finally a win for Mielke

It was also a green-white-checked finish for the Sport Compact division and for Lance Mielke, which he could have done without it.

Mielke had a healthy lead before the final caution came out. Not only the stress of a restart, but he had five-time race winner Ramsey Meyer of Pierce lining up on his back bumper.

When the green flag dropped, Mielke got a good restart and held a car-length lead taking the white flag, but as the

two drivers entered turn three to take the checkered, Meyer was knocking off the paint on Mielke's bumper.

Mielke hung on to win his first feature of the season and his fifth career track victory. Meyer took home second for his sixth top 2 finish.

Dustin Jackson of O'Neill took his fifth top 5 finishing third. Fourth went to Shannon Pospisil of Norfolk. Mark Benedict, who led the first five laps, rounded out the top 5. It was his third top 5.

Ramsey Meyer (21R) holds off Shannon Pospisil (00) in their heat race.

Brooke Fluckiger (2B) and Colby Kaspar battle for position in their heat race.

Mark Benedict (79) took his third top 5, finishing fifth.

Ron Pettitt (12) and Hans Houfek (59X) goes into turn three during their heat race. The two drivers raced together in the feature with Pettitt taking his third win of the season.

## Pettitt captures third victory

It was a green-white-checkered finish in the Street Stock division and Norfolk's Ron Pettitt took the victory after Emerson's Hans Houfek spun going into turn three on the final lap.

The only caution of the night flew after Houfek spun, setting up the sprint to the finish.

Kyle Becker of Columbus led the first nine laps before Houfek stuck his nose out front earlier in the race.

Becker did not go away and raced a couple laps on the inside of Houfek. Eventually, Houfek pulled away.

During this time Pettitt and Shawn Primrose of Norfolk was waiting for an opening as they followed Houfek and Becker.

Pettitt managed to get around Becker with two laps remaining in regulation. Pettitt ran down Houfek after taking the white flag.

As the two cars went into turn three for the final time, Houfek got lose and spun, as Pettitt slammed on the breaks to avoid Houfek and then slipped by.

On the restart for the shoot-out, Pettitt pulled a slight advantage and took his third win of the season.

Becker cruised in second and Primrose was third. Points leader and defending champion Chad Bruns of Wayne finished fourth.

Rounding out the top 5 was John Hadcock of Wayne.

Dale Primrose (4) races son, Shawn Primrose in their heat race. Shawn Primrose later finished third in the feature.

Mike Becker (27) took his third top 5 for this season. Becker placed second for his best finish at the track.

# Bittner returns to winner's circle a third time

Norfolk's Tiffany Bittner was a straightaway behind the leader with half the 15-lap feature gone, but slowly she closed the gap and on lap 11 she went into turn three in third place and exited turn four side-by-side for the lead.

Bittner went on to win her third feature of the season.

Mark Arduser of Battle Creek led the first 10-laps and pulled a large lead as second through fourth tangled several times behind him allowing him to get away at the start of the race.

TeJay Mielke of Norfolk and Bittner picked their way through the field and on lap six the two drivers cleared the field and took out after

Arduser, who had a large lead.

Mielke was the first to catch Arduser and a half lap later Bittner was too.

As they went into turn three on lap 11, Mielke cleared Arduser and drifted up the track, but Bittner stayed on the low side and passed both of them for the lead.

Mielke struggled on lap 14 allowing Bittner to pull away and let Arduser back to second.

Bittner took the win; Arduser took his best finish at second. Third went Jeremy Hoskinson of Norfolk. Nate DeSive of Verdigre placed fourth and Jim Kimmel rounded out the top 5.

**Tiffany Bittner (95B) celebrates after winning her third feature of the season and her fifth career track feature.**

**Mark Arduser (4) recovered from a rough crash two weeks earlier to win his heat race and later finish second in the feature.**

**Jim Kimmel (17K) races with Jeremy Hoskinson (26). Hoskinson took third in the feature as Kimmel finished fifth.**

Derik Fox (0) won his first feature win at the track. It was his sixth top 5 of the season.

# Fox edges out Prauner at the line

Stanton's Derik Fox and Kyle Prauner gave the crowd a sneak peek at fireworks in the SportMod feature when Fox edged out Prauner in a shower of sparks.

The feature, like two other classes, ended with a green-white-checked finish. Fox was leading the field with Prauner second when the third and final caution came out.

Fox maintained the lead for the first lap after the restart, but on the white-flag lap,

Prauner got alongside going into turn one and it was a drag race all the way through turn four.

Both Fox and Prauner tried to use every bit of track, but Prauner ran out of room and clipped the wall just before the finish line sending up the shower of sparks.

Fox took his first victory at the track by only inches. It was his sixth top 5 of the season.

Prauner took second for his second

second-place finish, his sixth top 2 and his seventh top 5.

Jeremy Gnat of Battle Creek took home third his best showing so far this season. He led 11 laps in the feature. It was his second top 5.
