Vol. I  
Week 12

**Haase's first win**

**Milander captures second victory**

Stock Cars winner  
Shawn Primrose

Hobby Stocks winner  
TeJay Mielke

Sport Compacts winner  
Lance Mielke

Mike Babcock (83) was the first to cross the finish line in the feature, but he failed post inspection, giving Bob Milander his second feature win.

### Milander given second win

It looked as if the Late Model class would have another first time winner, but a post race inspection changed the results.

Pierce's Bob Milander walked away with the win after Creighton's Mike Babcock's car did not pass.

While Babcock led from the drop of the green, several drivers made an attempt at the lead.

Chase Osborne of Norfolk was the first to pull alongside, but Osborne could not get enough traction off the corners to complete the pass.

Osborne's last attempt for the lead was on lap 19 before Milander was able to start challenging Osborne for second.

Milander made the pass and went after Babcock in the final four laps. Milander closed the gap to a car length and looked as if he had to settle for second the second week in row.

However, Milander was given the win, Osborne was second and Doug Tomka of Stanton was third.

Fourth went to Brad Vogt of Pierce and rounding out the top 5 was Robert Osborne of Norfolk.

Chase Osborne took home a second place finish.

Doug Tomka (3) took his third top 5 when he finished third.

## Mielke takes third victory

Picking the holes to the front of the pack was the trick last week and Lance Mielke picked correctly and dashed to the front to win his third feature of the season.

The Norfolk driver and Ramsey Meyer of Pierce both needed the same hole. Mielke got to it first and advanced while Meyer got boxed in and struggled to progress through the field.

Mielke took the lead on lap five and as Meyer was locked in a battle for fifth. Three laps

later, Meyer finally cleared the field a half straightaway behind Mielke.

Meyer never closed the gap and Mielke took the win and Meyer was second. Codie Mielke of Norfolk finished third with Tanner Uehling of Norfolk placing fourth. Shannon Pospisil of Norfolk rounded out the top 5.

Dustin Jackson (22x) was third in his heat and eighth in the feature.

Codie Mielke (77) was third in the feature and Tanner Uehling (58T) place fourth after leading four laps.

Mark Benedict (79) and Shannon Pospisil (00) race in their heat race. Pospisil placed fifth in the feature.

Colby Kaspar (39) won his first heat race last week. Brooke Fluckiger (2B) was fourth and Jake Timm (21) was second in the race.

Robert Osborne (35) finished fifth last week for his fifth top 5 of the season. He also continues to lead the points.

Brad Vogt (11) exits turn four during his heat race. He won the heat race and later finished fourth in the feature.

Justin Bertschinger (90) cruises in his heat race. Bertschinger finished fourth in the feature, as Chad Bruns (11) placed third.

## Primrose's patience leads to his second feature win

For most of the Street Stock feature, you could throw a blanket over the field as they raced two wide for nearly the entire race.

Shawn Primrose of Norfolk took the win, but his patience helped get him to the front.

Primrose was still in a battle for second with Travis Birkley of Wakefield on lap 10 of the 15-lap feature, while fending off challenges from Ron Pettitt of Norfolk and Jason Wilkinson of Neligh at the same time.

Primrose was working on the inside of Birkley, but when Wilkinson got under him, Primrose had to go for the pass on the high side.

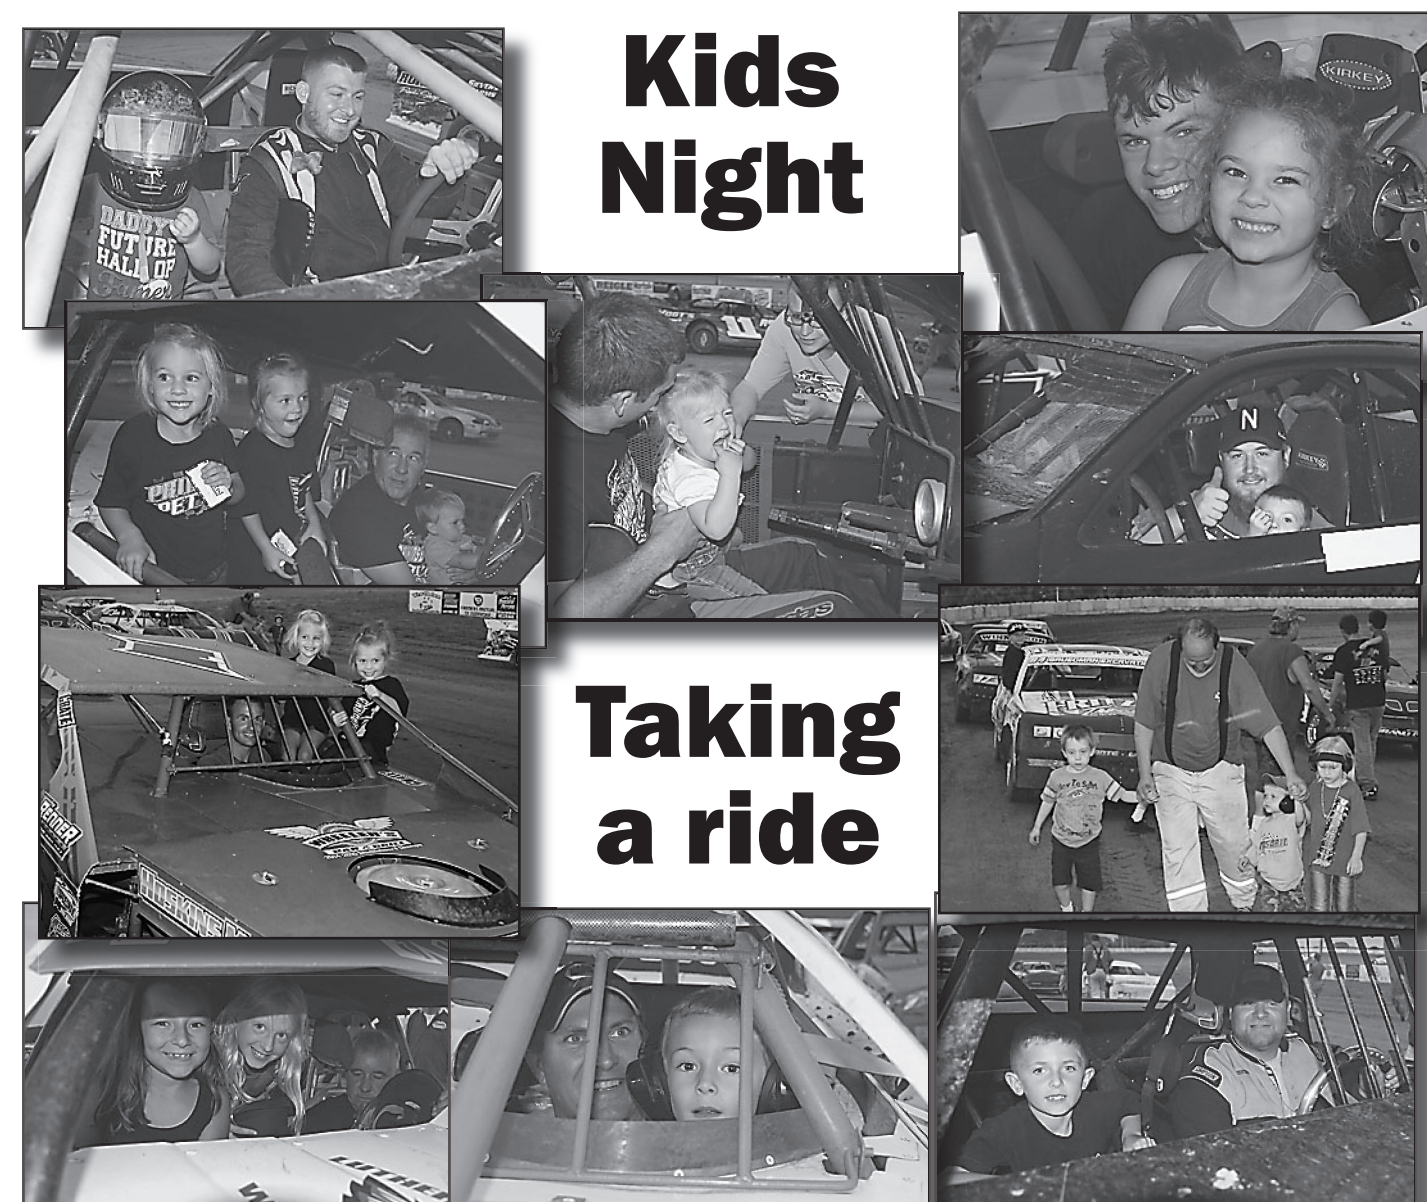

The pass worked and one lap later he was alongside Justin

Bertschinger of Norfolk for the lead. Bertschinger, who led the first 11 laps, fought back on the outside, but got shuffled back when Wilkinson drove to the inside of Primrose, making it three-wide for the lead.

Bertschinger backed off and it was a two-car battle with two laps remaining.

Wilkinson managed to race inside Primrose, but came up a short at the end.

Primrose won his second feature at the track, as Wilkinson finished second. Chad Bruns of Wayne made a couple last lap passes to take third. Bertschinger hung on for fourth and Kyle Prauner of Norfolk got by Birkley on the last lap for fifth.

TeJay Mielke (77) and Paul Stellato (5s) compete in their heat race. Mielke won his fourth feature of the season.

## Mielke adds another win

TeJay Mielke had a break go his way last week when a caution bunched the field and helped the Norfolk driver win his fourth feature of the season.

The first seven laps had Nate DeSive of Verdigre and Cameron Wilkinson of Neligh battling for the top spot, as DeSive led the first three laps before Wilkinson made the pass for the lead.

While Wilkinson pulled a slight advantage, Mielke was working on passing DeSive following the first of two cautions.

Just after Mielke got the second position a caution came out erasing Wilkinson's half straightaway lead.

On the final restart, Wilkinson got away from Mielke, but Mielke ran him back down the next lap and made the pass with four laps left.

Mielke went on to pick up the win, as Wilkinson had to battle to hang onto second. Wilkinson got loose in turn one and two and both DeSive and Tiffany Bittner of Norfolk moved to the inside to go after the position.

Wilkinson fought back to take second, as Bittner made the last lap pass on DeSive for third. DeSive finished fourth and Gage Koch of Norfolk stayed out of trouble and finished fifth.

Joey Haase (2) won his first career SportMods feature following in the footsteps of his grandfather, Raymond Haase; father, Jeff Haase; and brother, Matt Haase.

# Haase claims first feature victory

In a class that has been dominated by Kyle Prauner, it is tough for a SportMod driver to get their first win at a Norfolk track.

But as the drivers develop and improve, new drivers are pulling into the winner's circle.

Perfect example is last week's winner - high school junior Joey Haase.

Haase has the racing DNA, as he is the grandson of racing legend Raymond Haase

and son of winning driver Jeff Haase, along with a brother, Matt Haase, and numerous uncles and even an aunt.

Haase's strength last week was in turn three and four, but he struggled with a push in turn one. Haase got the lead from Neil Bruns of Wayne on lap five and was able to build up a lead on the field.

However, once Justin Addison moved into the second position, Haase lost ground to Addison when he struggled through one

and two.

With five laps left, Haase got his car to rotate better through one and two and his lead over Addison stabilized.

Haase won by four car lengths to win his first career SportMod feature.

Addison was second and James Roebuck of Genoa was third. Fourth went to Kyle Prauner of Norfolk and rounding out the top 5 was Colby Langenberg of Norfolk.

James Roebuck (72R) cruised to his second top 5 finish. He placed third on his third visit to the track.

Kyle Prauner moves to the inside of Colby Langenberg (1J) and Matt Haase (81) during their heat race. Prauner later finished fourth in the feature and Langenberg placed fifth.

Dean Wilkinson (52) won the second heat race.

Nelson Vollbrecht (11x) races inside Cameron Meyer in their heat race. Vollbrecht, the points leader, won the heat race.

Justin Addison (26J) took his fifth top 5 finishing second in the feature.
