Drew Johnson (317) won his third feature at the track last week. Lance Mielke (7m) finished third.

## Johnson strikes again

Sioux City's Drew Johnson has been to the track four of the five nights and now has three wins to show for it.

Johnson once again won the feature last week as he made quick work of the field.

Johnson started on the outside of the fifth row and made it four wide just past the start-finish line and was in fifth by turn one.

He was third by the exit of turn two and was first going into turn three. He had built a straightaway lead when the first of two cautions came out, however, it did not matter, as he just

pulled away from the field after each restart to take the win.

Ramsey Meyer of Pierce finished second in a backup car. His first ride's engine blew up on the backstretch in his heat race, which left safety crew members picking up pieces.

Meyer passed Norfolk's Lance Mielke with two laps remaining. Mielke placed third after running second most of the race. Shannon Pospisil of Norfolk took his fourth top 5 finish.

Rounding out the top 5 was Dustin Jackson of O'Neill.

## Primrose captures first track victory

Norfolk's Shawn Primrose took the inside line at the start of the Stock Car division feature and went straight to the front last week to win his first feature at the track.

The race went uninterrupted as Primrose led all 18 laps, but it got interesting in the closing laps.

As the race went on, the second place car of Ron Pettitt's got faster and he ran down Primrose, but struggled to find a way around.

When the two drivers exited turn four to take the white flag, Pettitt was side-by-side with Primrose, but as they went through turn one, Pettitt caught a rut and nearly flipped his stock car.

Having to let up to put the car back on all four tires, Pettitt gave up second to Chad Bruns of Wayne, who was waiting to pounce.

Primrose won, Bruns was second and Pettitt hung on for third. Kyle Prauner of Norfolk placed fourth and rounding out the top 5 was Zach Zeitner of Cedar Rapids.

Zach Zeitner (49) and Chad Bruns (11) battle in their heat race. Zeitner finished fourth in the feature and Bruns finished second in the feature.

Above, Kyle Prauner (5K) took fourth in the feature. Below, Todd Gereau (94) tries to avoid a spinning vehicle as he gets hit from behind. Gereau finished sixth in the feature.

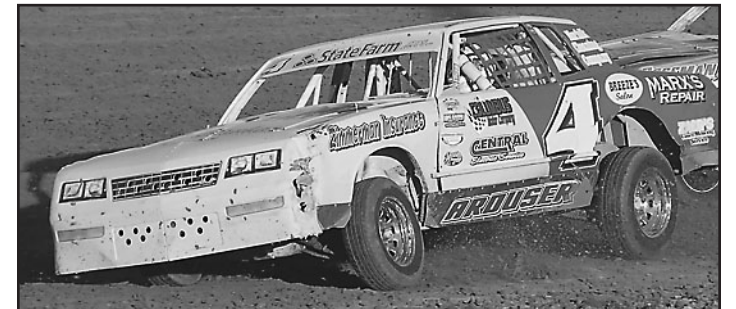

TeJay Mielke (77) races with Cameron Wilkinson (52cw). Mielke paced the feature for two laps before losing a tire and finishing fourth.

Jim Kimmel (17K) leads a pack out of turn four during their heat race. He later took his third top 5.

Tracy Buck (28) won the first heat race last week.

Mark Arduser (4) flies into turn three during the heat race.

Tiffany Bittner (95B) gets by Jeremy Hoskinson (26) in the feature. Hoskinson had led seven laps, before Bittner led the final six laps for the win.

## Bittner takes her second Hobby Stock feature

Norfolk's Tiffany Bittner picked up her second victory of the season, but had a little luck on her side this time.

She first hooked bumpers with Jereme Knoell of Norfolk when they were battling for second.

Bittner was working the inside of Knoell when they got together in turn two and hooked bumpers. Trying to get a part, Knoell's bumper came apart and released the cars.

Knoell's car shot towards the backstretch wall and when he swerved to miss the wall he spun sideways and flipped.

Knoell climbed from the vehicle and was able to walk off.

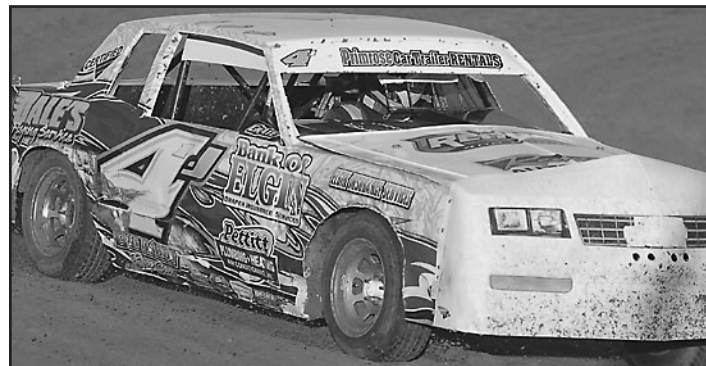

On the restart following the red flag, Bittner passed leader Jeremy Hoskinson of Norfolk for the lead spot on lap eight. Three laps later TeJay Mielke of Norfolk made the pass for the lead but he had a tire go down after only leading two laps.

Bittner went back out front and won by half a straightaway over Hoskinson, who finished second. Brent Jochum of Norfolk took third, who passed Mielke

before taking the white flag.

Mielke stayed on the track with the bad tire and finished fourth. Fifth went to Jim Kimmel of Norfolk.

Eric Vanosdall (9) took the checkered flags first in the heat and the feature. It was his second straight feature win.

Brad Vogt (11) leads a group in his heat race. Vogt finished fourth in the feature for his first top 5 of the season.

## Vanosdall's second straight victory

It took a few laps for the Late Model feature to get underway and surviving the rough track Eric Vanosdall of Winside won his second straight feature, which was cut by four laps due to time constraints.

The race was started with 17 cars, but only eight cars finished the 25-lap feature.

Mike Babcock of Creighton led the first nine laps before Cory Haase of Norfolk made the pass for the lead. But during the second caution period Haase pulled from the track giving Vanosdall the lead.

Vanosdall started on the outside of the third row and broke into the top 3 when Babcock

broke on the backstretch on lap 10.

He moved into second passing Chase Osborne of Norfolk on the next lap, before inheriting it when Haase pulled off during the caution.

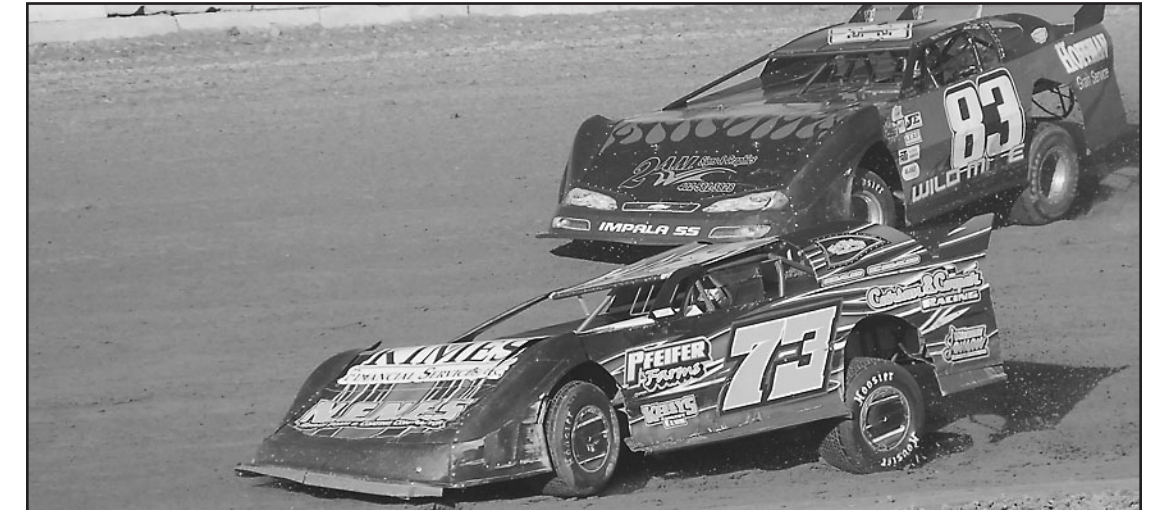

On the restart, Vanosdall was run down by Chad Jensen of Norfolk, who managed to close onto the bumper of Vanosdall, but the shortened race ended after 21 laps.

Vanosdall was first, Jensen second and Osborne took his second top 5 finish at third.

Fourth went to Brad Vogt of Pierce and rounding out the top 5 was Robert Osborne.

Chase Osborne (14) goes over the top of Mike Babcock (83), who got out of shape during the feature. Osborne took his second straight top 5 finish, last week.

Chad Jensen (73) was second in the feature. Mike Babcock (83) led nine laps in the feature.

Doug Tomka takes the checkered flag first in his heat.
