Pospisil handles Late Model features

Norfolk's Tad Pospisil claimed both features last week and in both features he won by more than a half lap.

In the first feature, he started on the inside of the second row and in one corner he went from third to first.

Brad Vogt of Pierce led the first lap with Will Schaller of Norfolk in tow, but Pospisil turned his car low and passed the top two drivers. Once in the lead it only took seven laps to catch the back of the field.

After a caution for debris, Pospisil pulled away from the field again and by lap 14 he had a half-lap lead and was back in traffic.

On the final lap, he overlapped the seventh place car for

the win. Schaller was second and Eric Vanosdall of Winside was third. Robert Osborne of Norfolk placed fourth and Jim Johnson rounded out the top 5.

Later that night Pospisil started a little farther back, on the inside of the fourth row.

Chris Johnson of Bloomfield led the first two laps, before Norfolk's Chad Jensen moved out front following a caution. Jensen led five laps before Pospisil ran him down. Pospisil jumped into the top 3 on lap 5. He battled with Johnson for a couple laps, before getting the high side to work and went around both Johnson and Jensen.

It was on lap 13 when he caught the back of the field.

Eric Vanosdall (9) took a third and fourth place finish in the two Late Model finishes last week.

Dalton Haase (45) leads Codie Mielke (77), Tanner Uehling (48T) and Devon Davidson (4D) in their heat race. Uehling won the heat race and later finished fifth in the feature.

Ramsey Meyer (21R) and Drew Johnson (317) race to the finish of the feature. Meyer placed second and Johnson was third.

Mielke leads start to finish

Lance Mielke started on the pole and led all 12 laps to win his first feature of the season.

Following a caution on lap 7, Mielke ran smooth, consistent laps to the end of the race, as first week's winner Drew Johnson of Sioux City and Ramsey Meyer of Pierce were locked in a battle for second.

On the final lap, Meyer and Johnson got together and Meyer came out on top. Mielke won, Meyer was second and Johnson coasted in third. Dustin Jackson of O'Neill placed fourth. Tanner Uehling of Norfolk rounded out the top 5.

Lance Mielke (7m) takes the checkered in his heat race. He later won the main event.

Dustin Jackson (22x) tries to hold off Drew Johnson (317) in the feature. Jackson took home fourth.

Brooke Fluckiger (2B) leads Wyatt Lehman (6) in the feature. Lehman crossed the line sixth.

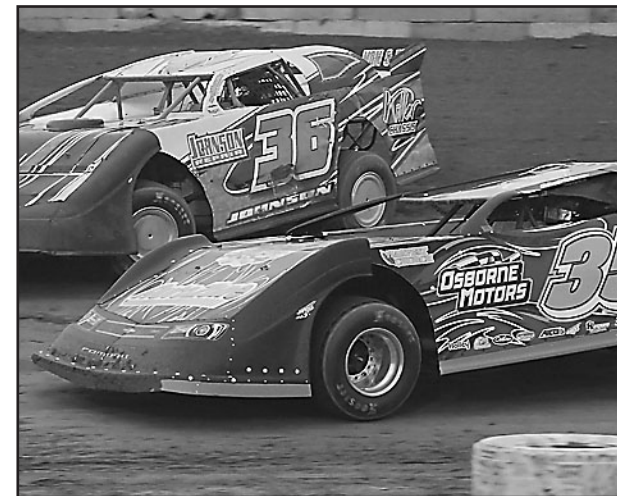

Will Schaller (98) tries avoid a perimeter tire during the second feature. He finished second in the first feature and seventh in the second.

The battle then became for second with Johnson and Jensen.

Johnson had the advantage until a slower car held Johnson up and Jensen took the position for good.

Pospisil took his time and worked his way through the back markers and would win by a half lap again. This time he overlapped sixth place on the white flag lap.

Jensen finished second and Johnson was close behind. Vanosdall took fourth and rounding out the top 5 was Mike Benson of Wakefield.

Robert Osborne (35) and Jim Johnson (36) were fourth and fifth respectively. Below, Mike Benson (71) placed fifth in the second feature.

Mike Babcock (83) and JR Strong (3) compete in their heat race.

Chad Jensen (73) and Chris Johnson (7J) battle it out in the second feature. Jensen finished second and Johnson placed third.

Kyle Prauner (5K) leads Ron Pettitt (12) in the feature. Prauner won the feature.

Prauner takes his first victory in class

For the first few laps of the Stock Cars main event, the top five and sometimes the top six were separated by only a few car lengths, as they were two and three wide for several laps. Carroll's Ryan Rohde led the first two laps, as Ron Pettitt of Norfolk worked his way by on the inside to lead lap three. Kyle Prauner of Norfolk followed Pettitt through on the bottom side as they pulled away.

However, on lap 5 Pettitt bobbled in turn two and Prauner was all over Pettitt's bumper.

Pettitt recovered and still led the lap, but Prauner had the inside line into one and two and took over the lead for good on lap 6.

Pettitt managed to stay at the heels of Prauner until Chad Bruns of Wayne started battling for the second position.

Bruns completed the pass on Pettitt on lap 9, however Prauner was five-car lengths ahead of him. The gap never changed until the closing lap as Bruns cut the gap, but Prauner took the checkered flag. Bruns was second.

Justin Bertschinger of Norfolk took a third place finish. Zach Zeitner of Cedar Rapids finished fourth and Norfolk's Shawn Primrose rounded out the top 5.
