Riviera Raceway

In its 33rd year of bringing stock car racing to you!

The Whys of Riviera Raceway

by Bob Haase

Why it was built:

I wanted to own my own business and Norfolk always had more race drivers and stock cars than any other towns with tracks.

Why the name:

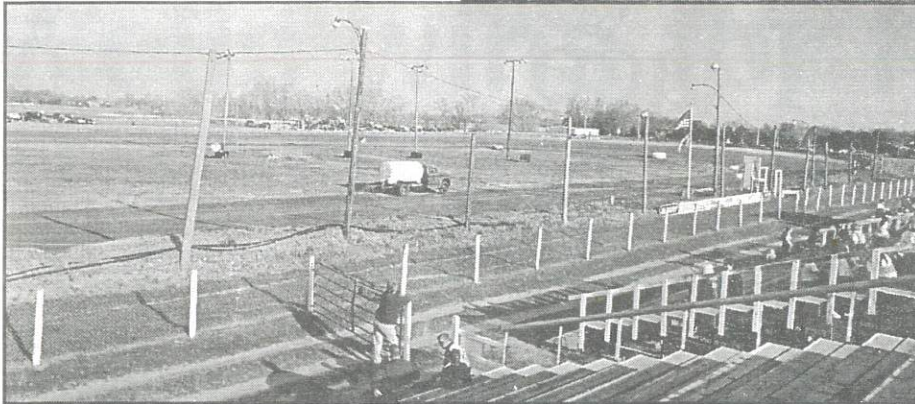

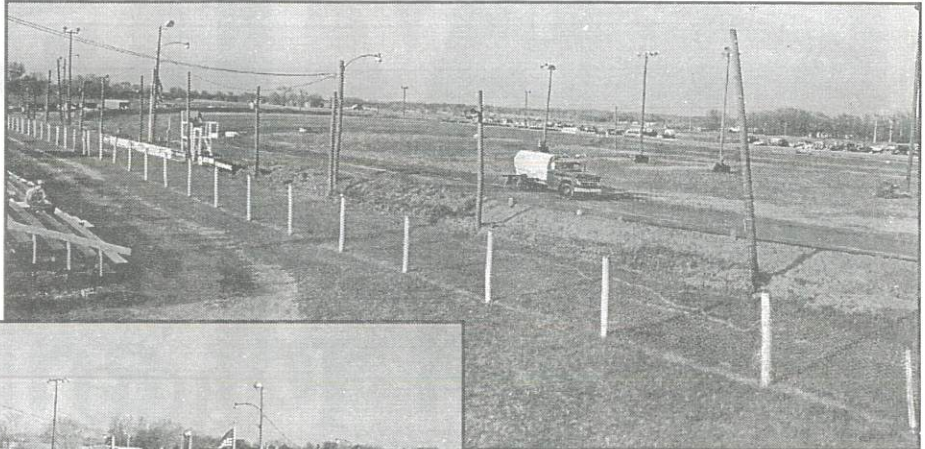

All of my family names start with the letter "R". I wanted the track to be as well.

Why on Sunday nights:

All tracks in the state raced on Sundays in the mid 1960s.

Why on Saturday nights:

My daughter would graduate on a Sunday night, so we tried a Saturday night. We liked it and have had races on Saturdays for the last 19 seasons.

Above, north side of the track — turns three and four. Left, south side of the track — turns one and two.

*We hope you enjoy our
33rd season of racing. Have a safe trip home.*

See you next week,

Wells wins for first time

It was a tight battle between Joel Carlson of Winside and Bill Wells of Norfolk during the Street Stock "A" feature last Saturday night, with Wells winning his first "A" feature of the season.

Wells was the only driver in the top seven of the standings not to win a race this season, but after eight top fives, including three seconds, Wells rolled into victory lane.

Wells and Carlson started in the fourth row and moved through the field quickly.

Terry Walker of Norfolk led the first two laps of 15 before Carlson took over on lap three. Walker slipped up on the fourth lap allowing Wells to take over second and Mike Timm of Pierce into third.

Carlson held a comfortable lead over Wells, but the first and final caution flag flew with seven laps remaining, tightening up the field.

Following the restart Carlson and Wells put on a show for the fans, as Carlson took the high line around and Wells took the low way around.

Wells would get the advantage in the turns, but Carlson's momentum out of the turns would even the score down the straightaways, sending the cars side-by-side into the turns.

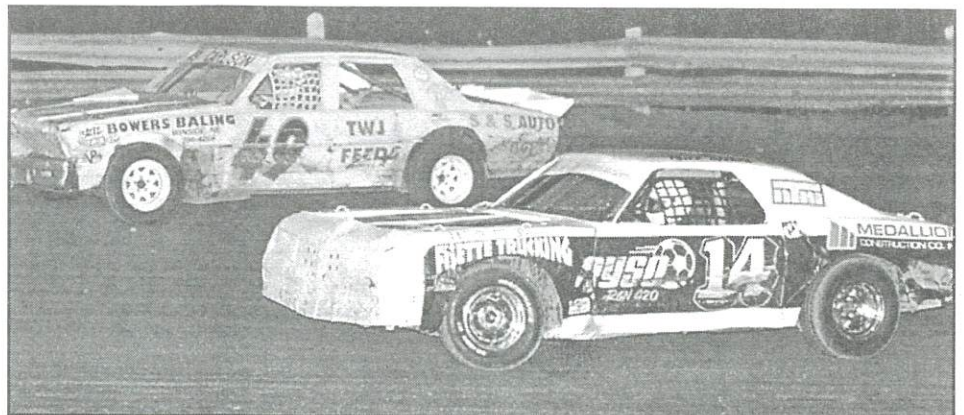

Slowly, the high groove started to go away, which allowed Wells to pull away. Carlson then had to contend with four-time

winner Darrell Doerr of Plainview.

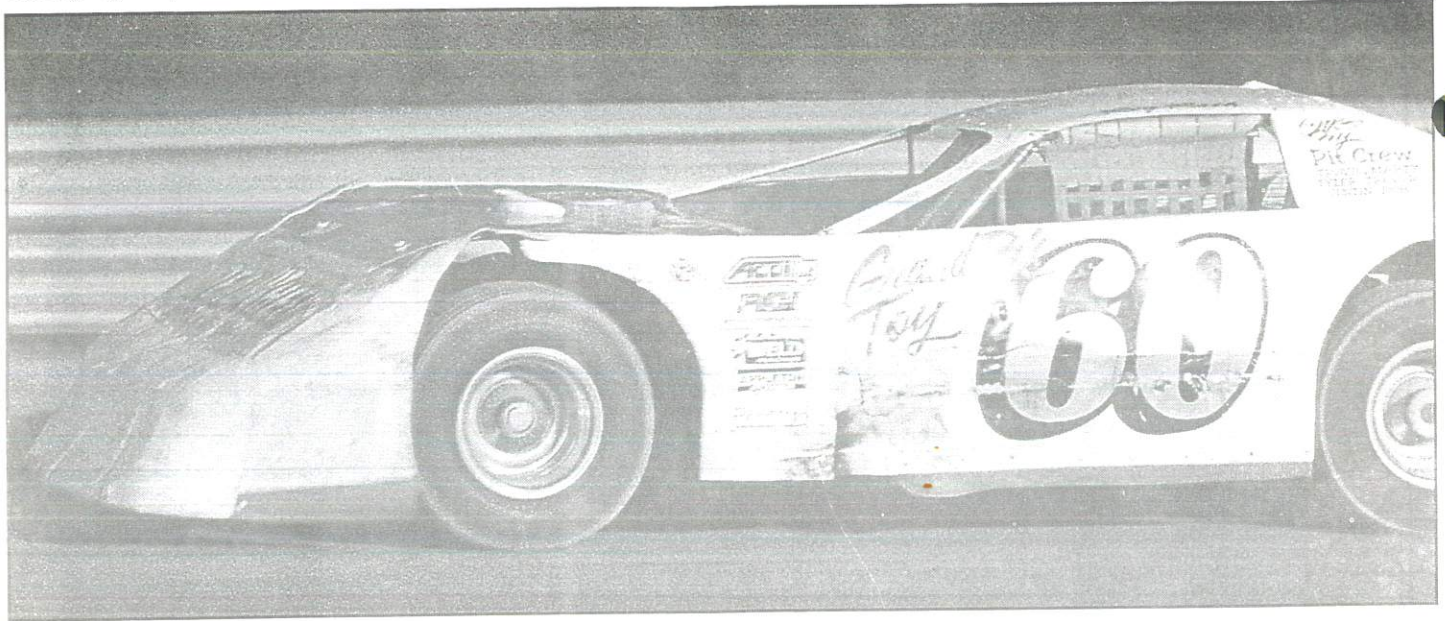

Doerr, like Wells, worked the low line and was able to race side-by-side and at the finish line Doerr nipped Carlson by very little.

David Hille of Norfolk won the "B" fea-

Joel Carlson (49) and Bill Wells (14) put on a show for the fans, running side-by-side for the lead for several laps.

Roth's fifth win moves him into points lead over Osborne

Leading the final 16 of the 25 laps in the Grand National "A" feature Saturday night, Reggie Roth of Bancroft has moved into first place in the Grand National points standings at Riviera Raceway taking the spot from Robert Osborne of Norfolk.

Roth led the points the first week after winning the opening night's "A" feature, but throughout the year, he has fallen to as low as sixth in the standings. Osborne, on the other hand, has led the standings 12 weeks out of the 17-week season, so far.

Following "A" feature wins three and four back on July 19 and 26, Roth moved into second, trailing Osborne by two points.

Roth now has a lead of nine points over

Osborne. Zuhlke, who has led the points three times, is in third.

The points have been competitive throughout the year, as 12 of the 17 weeks the points spread between first and second was less than 17 points.

Roth picked up his fifth win of the season, matching Zuhlke's five wins in the Grand National division.

Travis Dickes of Madison controlled the field for the first nine circuits. Roth started on the outside of row four and was running fourth after six laps.

On lap seven, Roth passed previous week's winner Vic Lovejoy of Meadow Grove for third. A lap later, Roth got by Jay Smith of Norfolk for second.

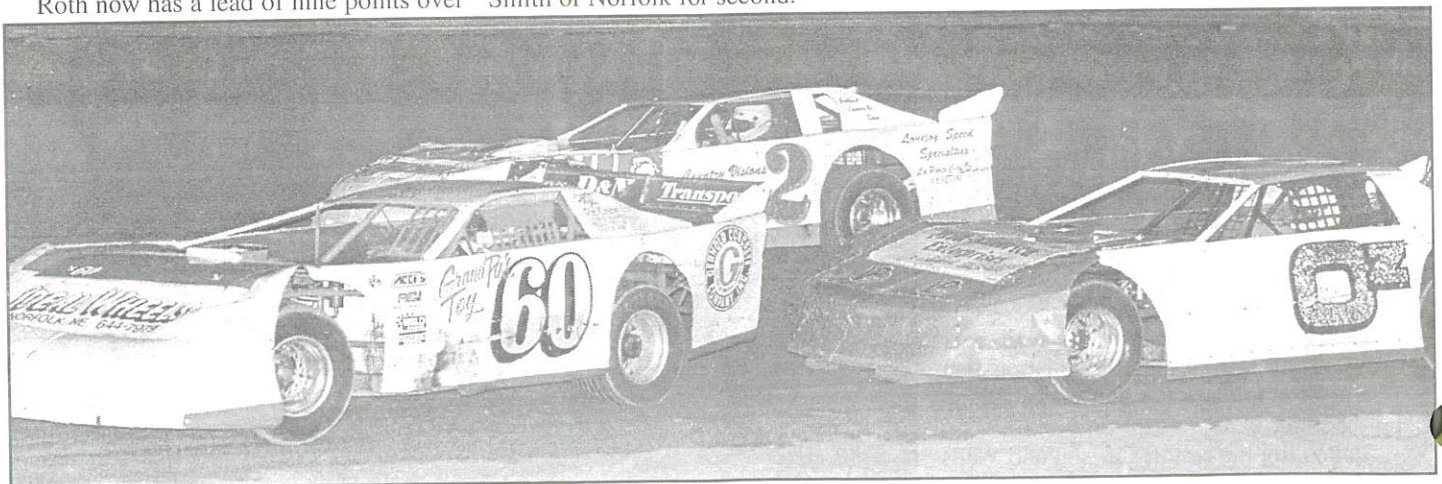

Zuhlke made the top three on lap nine, passing Smith for the spot.

Roth then made a move on Dickes, opening a hole for himself and Zuhlke to get through to lead lap 10.

The two drivers would go nose to tail for 11 laps before Scott Phillips of Norfolk went low in turn two and caught his left front tire on one of the large white tires, spinning his car out.

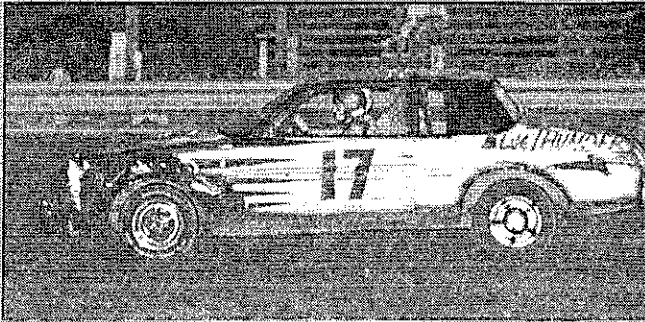

The impact jerked Phillips steering wheel dislocating and breaking his wrist. The race was red flagged to allow crews to get Phillips to the hospital.

Roth wins/ please see page 8

Reggie Roth (60) and Curt Zuhlke (0z) hooked up and went straight to the front together. Roth and Zuhlke gained valuable points in the standings.

ture over Jim Kimmel of Norfolk.

Bernie Berck of Norfolk paced the field for the first six of 10. Cory Haase of Norfolk was running second when his front end tagged the back end of Berck's, sending Berck sideways. Berck gathered it back up but fell back in the field.

Haase would lead a couple laps and then gave up the lead to Hille with two laps left. Haase would cross the line second and Kimmel third.

However, Haase was dropped two positions for the incident with Berck, which gave Kimmel second. Hille and Kimmel both advanced to the "B" feature.

Both Bertschinger and Kimmel qualified for "B" feature by going one, two, respectively in the "C" feature. Bertschinger led from the drop of the green flag and Kimmel run the last nine laps at the second position.

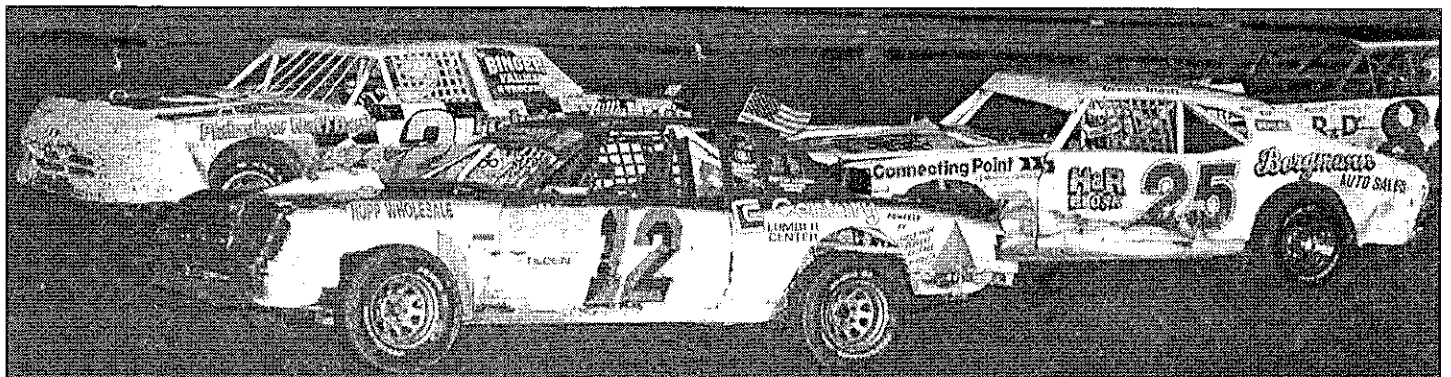

Travis Loecker, who is running second in the points, took home his second trophy of the year. Doerr was the closes competition in the race.

Heat winners were Walker, Ron Pettitt

of Pierce, Dennis Martz of Norfolk and points leader Jim Johnson. It was Walkers second of the year, Johnson's fourth, Martz's fifth and Pettitt's sixth.

Bill Wells waves to the crowd after winning the "A" feature.

The Street Stock "A" feature had plenty of door-to-door action including three and sometimes four-wide racing. Ron Pettitt (12) and Darrell Doerr (2) lead Dennis Martz (25) and David Hille (88D) out of turn two.

Roth wins

continued from page 6

Phillips said he made changes to his car after winning the "B" feature. The changes made his car tight, but through the race he said the car loosened up.

He was looking to get by Keith Hansen of Norfolk and Dean Wilkenson of Oakdale, when he said he went to low into turn two, catching the tire.

"If I would have hit the (large) tire with the nose of the car, the car would have been damaged instead my wrist," said Phillips.

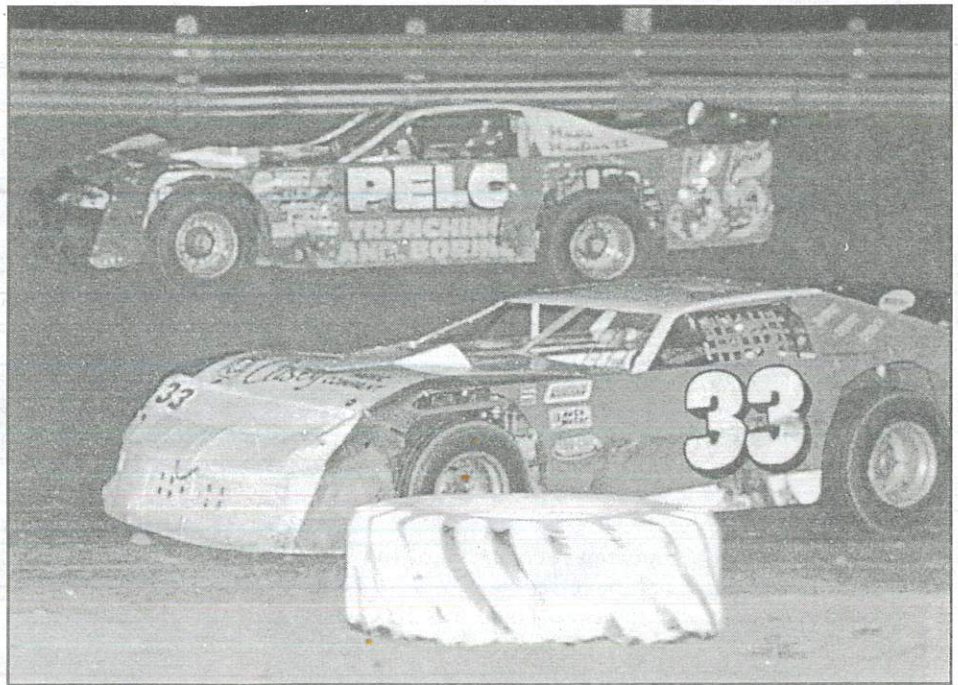

Phillips injuries required surgery, where two screws were used to repair the wrist. Phillips said he will be out for eight weeks. Phillips will replace himself to finish out the season. He is currently 10th in the points standings.

When the race restarted on lap 21, Roth was leading Zuhlke with Lovejoy running third.

Roth and Zuhlke pulled away from the field, but Lovejoy had to deal with the fourth place car of Osborne.

Roth went onto win, Zuhlke was second and Lovejoy held off Osborne for third.

In the "B" feature, Phillips won the race over Raymond Haase, who returned to driving duties after his injuries several weeks

Scott Phillips (33) gets back around Steve Matthies in the "B" feature. Phillips won the race. The large white tire later in the night would end Phillips night with a trip to the hospital with a wrist injury.

ago. Phillips and Steve Matthies of Norfolk swapped the lead, before Phillips went on to win. Haase made it around Matthies for second. Matthies hung onto third to transfer to the "A" feature.

In the Trophy Dash, Smith held off Osborne to win his second trophy of the season.

Heat winners were Zuhlke, Smith and Osborne. It was Osborne's 10th heat win, Smith's seventh and Zuhlke's sixth.

Travis Dickes heads into the turn during his heat race. He finished third.
