Kyle Prauner (5x) won his first feature of the season. Prauner now has two top 2 finishes in two starts.

Prauner posts first win

It was reverse finish for the top two cars from last week in the IMCA Sportmods class, as Norfolk's Kyle Prauner paced the field for 15 of the 16-lap feature.

Prauner started on the outside of the third row, as Johnny Kerby of Wisner led the first lap after getting by pole sitter Brandon Poessnecker of Atkinson on lap one.

Prauner had already moved into the second spot by the completion of the first lap and moved out front by lap two.

Once the first lap was completed the race went without incident. Prauner caught the rear of the field on lap 11 and battled lapped cars for four laps before breaking away for the win.

Running second, Kerby held off Stanton's Nelson Vollbrecht for 13 laps, but could not for the last two laps. Vollbrecht finished second and Kerby was third.

Darik Fox of O'Neill placed fourth and Poessnecker rounded out of the top 5.
