# Lovejoy wins first of season

It was a week ago Saturday, race fans at Riviera watched race leader Raymond Haase get turned around going down the front stretch by Mark Henery.

Well, the tables were turned and Saturday night saw Henery get turned around exiting turn four while leading the 25-lap main event.

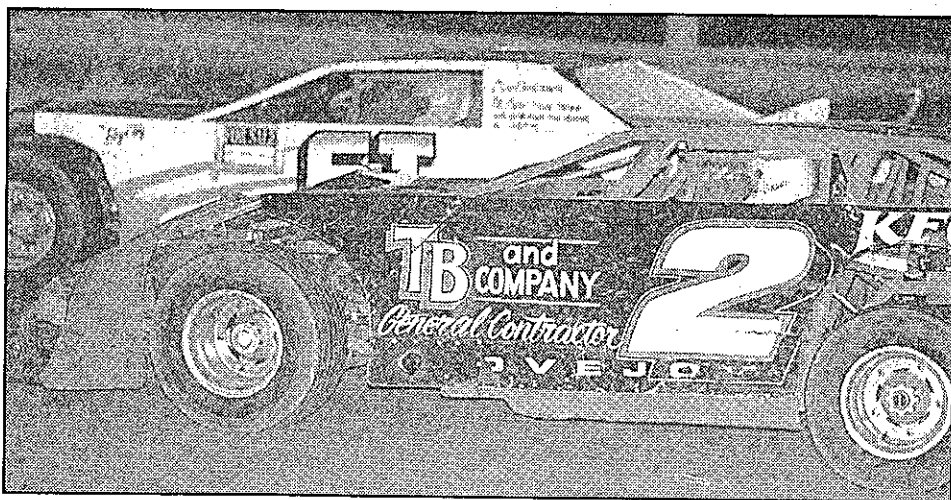

This time it was Travis Roth of Bancroft who got a nose on the leaders rear quarter.

Roth managed to make it to the checkered, but when he showed up to take the trophy, track officials pointed him off the track and called for Lovejoy.

Lovejoy, who ran third behind both Henery and Roth for 14 of the final 16 laps, edged Robert Osborne of Norfolk for what looked to be second, however, it was for the win.

In victory lane, Lovejoy said he would have gather passed a car for the win. However, it was Lovejoy, who had the faster car of the top three cars, but a faster groove on the bottom made passing tough.

Lovejoy caught both Henery and Roth on lap 10, but the single lane track ran the cars nose-to-tail.

**Vic Lovejoy (2) could only get along side, but could not pass Travis Roth (6T) during the "A" feature.**

Lovejoy tried the high side several times to get along side Roth for second, but he nearly lost third when Osborne, who was running fourth at the time, dove under him on the bottom of the track.

Protecting his position, Lovejoy gave up and started run the bottom. This entire time, Roth was digging at Henery trying to

get Henery to slip up the track and Roth could dive under for the lead.

Several times Roth tagged Henery's left rear quarter panel, but it took until the cars were exiting turn four to take the white flag that Roth got too much of Henery, sending Henery to the infield.

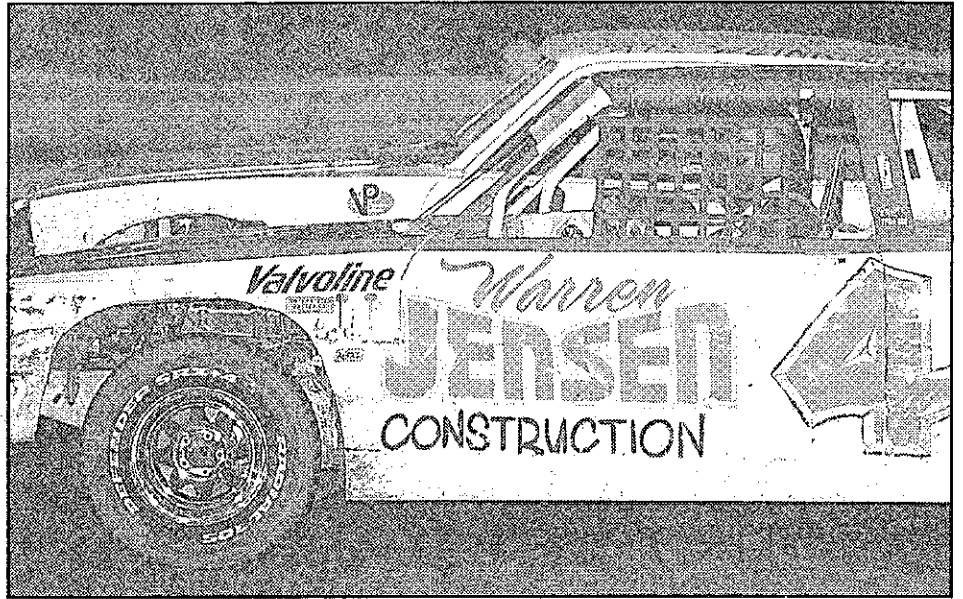

**Lovejoy/please see page 8**

Track official Todd Vollbrecht reminds Mike Timm (92) that he needs to keep his car door closed during the racing action. Timm got tossed around on the back stretch.

Chris Johns

# Pilger driver wins feature

Jason Jensen (4) gets inside Tate Weinrich (46) on lap two of the Street Stock "A" feature. Jensen went onto win his first main event.

## Jensen outruns field for first victory of year

Jason Jensen of Pilger has run the "A" feature 10 times this year and his best finish going into the night was ninth, but when he left the track it was his first career "A" feature win.

Jensen led 14 of the 15 laps in the event, passing Tate Weinrich, who made his second appearance in the "A" feature.

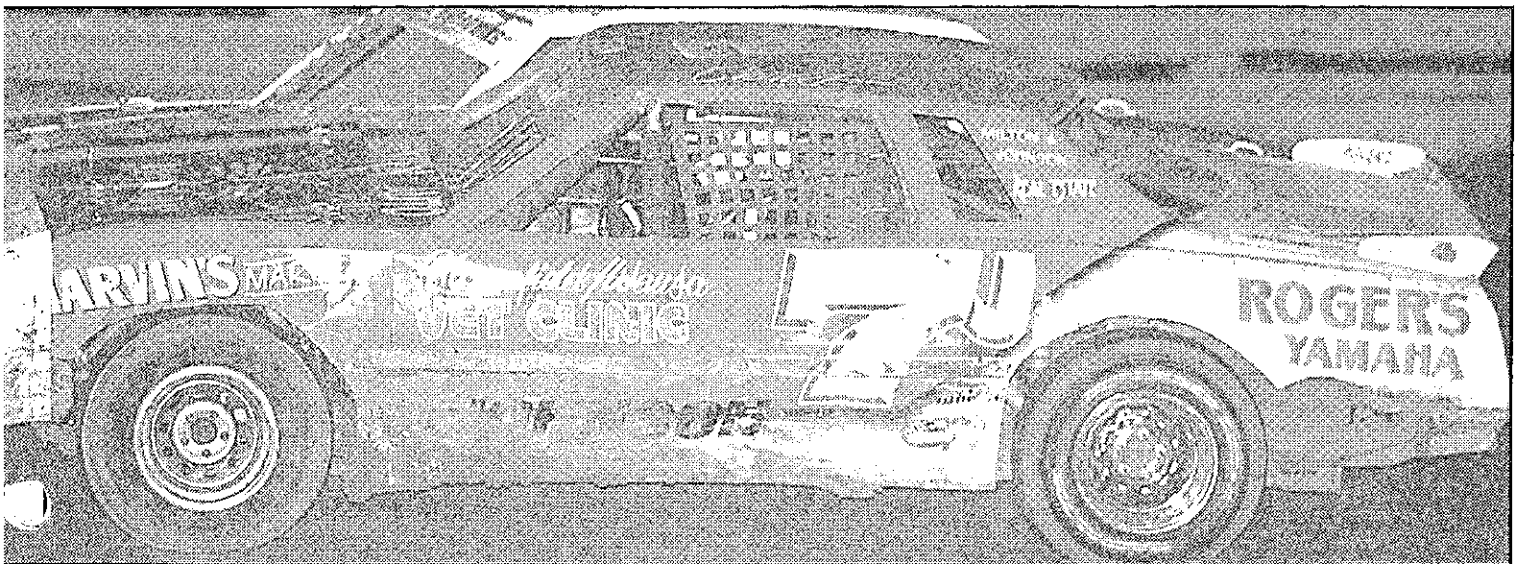

Jensen ran a race that was mostly uncontested until in the closing laps when his car started pushing out of the turns.

Luckily for Jensen, the second place car of Brian Wagner was tied up in a battle for

his spot with Ryan Rohde of Carroll and the Travis Loecker of Bloomfield for the final two laps.

Jensen won his first race and it was his first top five. Second went to Wagner for his best finish of the season and his third top five.

Loecker grabbed the third spot for his 12th top five finish.

7J) gets a little too close to Ryan Rohde (95) during the "A" feature.

## Lovejoy

continued from page 5

Roth went onto take the checkered. Osborne made a last ditch effort for second, but Lovejoy edge him out by inches for what turned out to be the win.

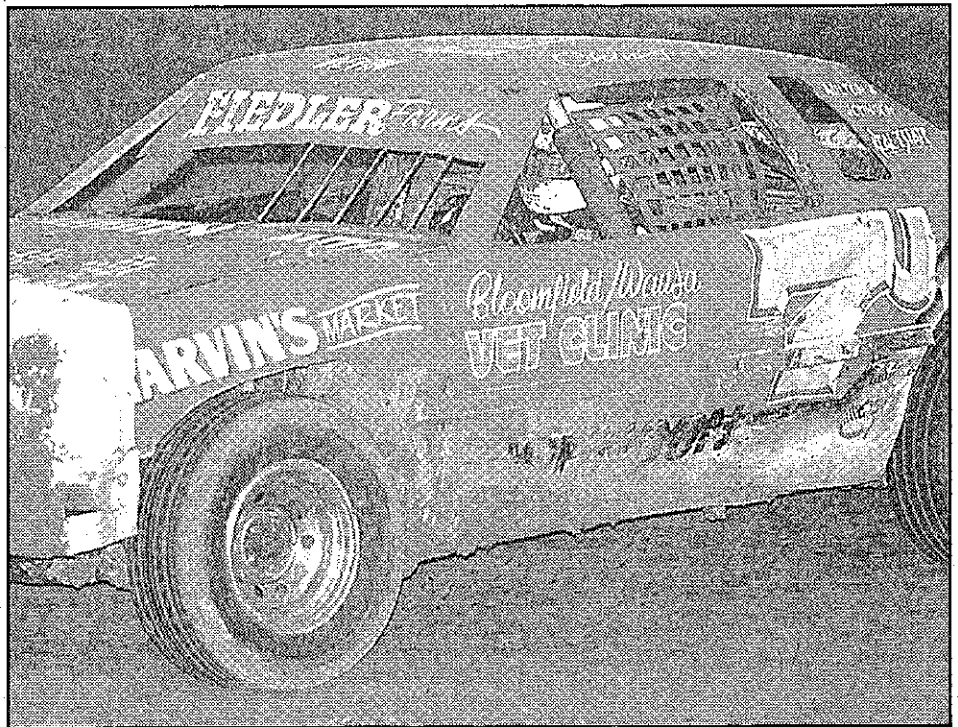

It was Lovejoy's first win of the season and his 10th top five. Osborne collected his fifth second place finish and his 17th top five. Third went to Haase, his fourth of the year.

## Johnson brothers lead Riviera racers at state

The Johnson brothers found the best success at the state championships in Lincoln Monday night.

Chris Johnson took home third place in the "A" feature, as his brother rounded up sixth place. Other placers in the Street Stock division were Nick Opfer (18th) and Jason Throener (19th)

In the Grand National division Vic Lovejoy placed 18th while Curt Zuhlke was 19th.

**Chris Johnson (7J) returns from the state championship with a third place finish in the Street Stock "A" feature. His brother Jim Johnson was sixth.**

**Bobby Lincoln and his rescue squad work on an injured Jason Watson. Watson and his Cruiser partner Jason Stubbert hit the wall in turn four during the Cruiser feature.**
